

REFLECTIONS ART CONTEST

General Information:

Do you like art? Do you have cool ideas? Then come join the fun with the PTA Reflections Art Contest!

We want to see how you express yourself. You can pick any type of art: draw or paint, make something, write something, take a photo, make a film, dance, or compose a song. You choose whatever you want!

This year the theme is “I Matter Because...” Hmm, what does that make you imagine???

This contest is all about having fun, creating, and enjoying art! At Adams we celebrate each other and that means all the Reflections art will be on a website for the school to enjoy. A few students will represent Adams at the city-wide Reflections Art Contest, and some might get picked to go to the State and National competition!

I hope you join us this year!

Here’s how to enter the contest:

- 1) Pick a type of art: visual art, writing, dance, music, film, or photography.
- 2) Take a look at the rules. You can find them in Schoology under Art.
- 3) Make your project and write a few sentences on how your art reminds you of the theme “I Matter Because...”
- 4) Send in your project and your signed [Entry Form](#) to reflections@adamselementary.org
- 5) Celebrate your art, your classmates’ art and the students representing Adams at the city competition (It might be you)!
